

Campaign Terms

1. Telia Eesti AS (hereinafter Telia) organises during the period 08.06.2026–06.07.2026 (Campaign period) a marketing campaign titled “Telia summer campaign: join or increase Home Internet speed” (hereinafter Campaign).
2. The campaign terms apply to a private Telia customer (hereinafter Customer) who during the Campaign period:
 - 2.1. subscribes to a Home Internet connection with a speed starting from 100/25 Mbit/s via fiber or wireless internet offered by Telia at the desired connection address and who:
 - 2.1.1. meets the prerequisites set for customers to subscribe to Telia services (no outstanding debt to Telia);
 - 2.1.2. has not used the Telia Home Internet service within the previous 12 months (i.e. has not had a valid service contract);
 - 2.1.3. subscribes to the connection with the best available technology offered by Telia at the desired connection address, i.e. generally fiber optic, or if unavailable, a mobile network (wireless) based internet connection;

or
 - 2.2. is already a Home Internet customer and chooses a higher speed according to the scheme below.
3. When subscribing to Home Internet within the Campaign:
 - 3.1. a discounted price of -15% of the monthly fee applies for 12 months for selected speeds under the following conditions:
 - 3.1.1. Home Internet via fiber technology with speeds up to 100 and 200 Mbit/s, based on the standard price list or Telia 1 customer price;

Wireless Internet 100, based on both the public and Telia 1 price;
 - 3.1.2. a -50% discount applies to the monthly rental fee of routers Genexis Aura E650, Genexis Aura D600 and Zyxel NR7305 for 12 months.
4. When increasing the speed of an existing Home Internet connection within the Campaign according to the conditions below, a discounted price of -15% applies to the monthly fee of the new speed for 12 months as follows:

Fiber		
Existing speed Mbit/s	New higher speed Mbit/s	New speed monthly fee from which the 15% discount is calculated
Up to 20/20	Up to 50/50	24.80 €
Telia 1 up to 40/40	Telia 1 up to 100/100	24.80 €
Up to 50/50	Up to 100/100	27.90 €
Telia 1 up to 100/100	Telia 1 up to 200/200	27.90 €
Up to 100/100	Up to 200/200	31.00 €
Telia 1 up to 200/200	Telia 1 up to 400/400	31.00 €
Up to 200/200	Up to 400/400	36.16 €
Wireless Internet speeds Mbit/s		

Existing speed Mbit/s	New higher speed Mbit/s	New speed monthly fee from which the 15% discount is calculated
Up to 20/5	Up to 100/25	27.90 €
Telia 1 up to 40/10	Telia 1 up tp 200/50	27.90 €
Up to 100/25	Up to 500/100	43.40 €

Amounts include VAT

5. The validity of the discount ends if the Customer suspends the use of the Home Internet service, reduces the speed, or the service is restricted due to a reason attributable to the Customer.
6. After the end of the Discount period (12 months), the Home Internet service will automatically be subject to the corresponding monthly fee according to the Telia price list. The Customer may change the Home Internet speed or terminate the service at any time.
7. In accordance with the Telia General Terms, Telia may change the Home Internet monthly fee (standard price) during the validity of the Discount period, whereby the discount percentage remains the same.
8. Telia has the right, if necessary, to make changes or clarifications to the Campaign terms by publishing a respective notice in its e-environment.
9. Telia has the right, if necessary, to terminate the provision of Discounts applied within the Campaign at any time by notifying the Customer.
10. For questions related to the Campaign(s), the Customer should contact the nearest Telia store or call Telia's customer information short number 123.
