Terms and Conditions of the Marketing Campaign "Telia TV Sign-Up and Plan Change Campaign"

1. Telia Eesti AS (hereinafter Telia) is organizing the marketing campaign "Telia TV Sign-Up and Plan Change Campaign" (hereinafter the Campaign) during the period from 03.11.2026 to 30.11.2026.
2. The Campaign offer is available to a private customer (hereinafter the Customer) who:
   2.1. signs up for the Telia TV service;
   2.2. changes their existing plan to the Telia TV Stream Trio plan;
   2.3. meets the prerequisites established for joining Telia services (no outstanding debt to Telia, etc.).
3. The discount is applied in the month of sign-up or plan change and remains valid for the following 11 months, until the end of the twelfth month, or until the service is terminated or the agreement is temporarily suspended. The Campaign offer can only be ordered through Telia Self-Service during the Campaign period.
4. A short-term fixed-term agreement applies to the Customer from the month of sign-up until the end of the following month. If the Customer terminates the agreement during this period or changes to a plan with a lower monthly fee, they must pay compensation in accordance with the Telia TV service agreement.
5. If the Customer terminates the agreement after the end of the short-term fixed-term agreement but before the end of the 12-month discount period, they shall pay the discounted price proportionally for the days the service was used. If the Customer changes to a plan with a lower monthly fee after the end of the short-term fixed-term agreement, the discount remains valid until the end of the month in which the plan change was made, and the new lower-priced plan takes effect from the following month.
6. During the Campaign period, the following discounted prices apply to Customers who meet the Campaign conditions:

Telia service	Standard monthly price	Monthly discount	Discounted monthly price	Discount period
Telia TV Stream Trio plan	**25,95 €**	**6 €**	**19,95 €**	Month of sign-up or plan change + 11 months

7. The Customer will receive a notification at least seven (7) days before the end of the discount period.
8. This discount can only be accepted by a Campaign participant during the Campaign period, and Telia will not satisfy any subsequent claims related to failure to use the discount.
9. After the end of the discount period, the applicable fee according to Telia's price list will apply.
10. If the Customer does not wish to continue using the services after 12 months, they must terminate the services before the end of the discount period. If the Customer rented equipment for using the service and does not wish to continue using it after the service ends, they must terminate the equipment rental agreement in accordance with the terms of the rental agreement and return the equipment used for the service to the nearest Telia store within 30 days after termination of the equipment rental agreement, in the same configuration and condition in which it was received, taking normal wear and tear into account.

11. The service fee or monthly fee discount is calculated from the applicable full price. In accordance with Telia's General Terms and Conditions, Telia may change the full price during the discount period, which will accordingly affect the final price of the service for the Customer.
12. Telia has the right, if necessary, to amend or clarify the Campaign conditions by publishing relevant notices on its website at www.telia.ee. Amendments enter into force on the day they are published by Telia.
13. If you have any questions regarding the Campaign, please contact Telia by calling the customer information line at 123, by calling +372 639 7130 from another operator's network or from abroad, or by visiting the nearest Telia store.
