

Terms and conditions of the marketing campaign 'TV Service Subscription Offer'

1. Telia Eesti AS (hereinafter 'Telia') is organising a marketing campaign called 'TV Service Subscription Offer' (hereinafter the 'Campaign') during the period from 2 December 2025 to 5 January 2026.
2. The Campaign Offer is available to a private individual customer (hereinafter 'Customer') who:
 - 2.1 subscribes to the Telia TV service;
 - 2.2 meets the prerequisites set for the Customer for subscribing to services offered by Telia (absence of arrears before Telia, etc.).
3. The terms and conditions of the Campaign do not apply to Customers who currently have or have had the Telia TV service during the Campaign period or within the previous 12 months.
4. The discount applies during the month of subscription and is valid for an additional 2 months until the end of the month or until the service is terminated, or until the temporary suspension of the contract. Orders within the Campaign will be accepted until 5 January 2026.

If the Customer terminates the contract before the end of the discount period or changes their plan to one with a lower monthly fee, the discount will remain valid until the end of the month in which the change was made.

6. During the Campaign period, Customers who meet the terms and conditions of the Campaign will receive the following discounted prices:

Telia service	Regular price (€) per month	Discount (%) per month	Discount length
Telia TV Stream Netflix plan	€ 17.95	-20%	Subscription + 2 months
Telia TV Standard + Netflix plan	€ 28.46	-20%	Subscription + 2 months
Telia TV Standard + HBO Max plan	€ 28.46	-20%	Subscription + 2 months
Telia TV Supreme plan	€ 44.72	-20%	Subscription + 2 months

The Customer will receive a notification three (3) days before the discount period ends.

7. This discount can only be accepted by the Campaign participant during the Campaign period, and Telia will not accept any subsequent claims (due to non-use of the discount).
8. After the end of the discount period, the corresponding fee according to the Telia Price List will apply.
9. If the Customer does not wish to continue with the services after 3 months, they must terminate the services before the end of the discount period. If the Customer has leased a device to use the service and does not wish to continue using it after the service ends, they must terminate the device lease contract according to the terms and conditions of the lease contract and return the device(s) used for the service to the nearest Telia shop within 30 days of terminating the lease contract, in the same condition and completeness as received by the Customer, taking normal wear and tear into account.
10. The discount on the service or monthly fee is calculated on the applicable full price. In accordance with the General Terms and Conditions of Telia, Telia may also change the full price during the period of the discount, which will affect the final price of your service accordingly.
11. Telia reserves the right to make amendments or clarifications to the terms and conditions of the Campaign, if necessary, posting relevant notices on the website at www.telia.ee. The amendments enter into force from the date of their publication by Telia.
