Person's name	Representation basis	Personal identification code
---------------	----------------------	------------------------------

The Customer and Telia (hereinafter the Parties) have entered into this Contract (hereinafter the Customer Contract) on the following terms and conditions:

1. The Customer Contract is a framework agreement on customer relationship, which creates an opportunity for the Customer to easily subscribe to Telia Services, use e-Environments, purchase goods, and enter into other Contracts with Telia.
2. Telia provides the Services and sells goods to the Customer under the terms and conditions set out in the General Terms and Conditions, Price List, Service Terms and Conditions valid for the respective Service, and other Terms and Conditions. Telia refers to the Terms and Conditions when providing to the Customer the Service, goods or e-Environment or upon entry into the Contract with the Customer, and enables the Customer to read the Terms and Conditions. The Terms and Conditions constitute a part of the Contract, and the Parties undertake to comply therewith.
3. By entering into the Customer Contract, the Customer confirms that he or she has read the General Terms and Conditions and Data Use Principles and undertakes to comply therewith.
4. The Customer shall pay Telia for the Services and purchased goods based on an issued invoice by the due date specified therein.
5. The Customer Contract is effective indefinitely as of signing thereof. The Customer Contract can be cancelled or terminated according to the General Terms and Conditions.
