

Name of service:

TELIA CYBER INCIDENT RESPONSE

1. Description of the Service

- 1.1. As part of the service, Telia helps the client to resolve cyber security incidents.
- 1.2. In addition to resolving incidents, Telia provides clients with information about information security issues that have a significant impact.
- 1.3. When subscribing to the service, the client will designate the contact person(s) who can contact Telia's client support on behalf of the company to resolve the incident and who will participate in the resolution of cyber security incidents (the contact person's name, email address, phone number).
- 1.4. The client will provide Telia with sufficient rights and access to resolve the incident (for example, necessary access to the client's information systems). Once the incident has been resolved, all access routes created for Telia to resolve the incident will be removed.
- 1.5. Once the incident has been resolved, Telia will provide a summary of the work carried out.
- 1.6. In the event of an incident, the work of Telia's specialists will be invoiced on an hourly basis in accordance with the price list.
- 1.7. The delivery time is at least 5 (five) working days of the date of the client's order.

2. Service organisation

- 2.1. Clients can choose the plan that best suits their needs to resolve incidents. Telia will respond to the client's request according to the plan chosen:
